

Original Personal Business Card Assignment.

Using one of the blank templates in the business card folder on the Big Mac server, you will design an original business card for yourself, using one of your logos.

The card must contain your:

Full Name

Addresss

City State Zip

At least one telephone number (or two if you have a cell phone and home phone)

Your email addresss.

Choose an easy to read font for your information.

You may wish to include additional optional information if it warranted.
